

Seminar Sponsorship Opportunities

[Urban Wood Utilization: Making Wood Products & Profits from Community Trees](#)

FREE Seminar at IWF 2016!
1:00pm-2:30pm Friday, August 26, 2016
Georgia World Congress Center, Atlanta

The Full Circle Urban Forestry Network, comprised of urban wood groups representing Illinois, Michigan, Missouri and Wisconsin, is organizing this landmark seminar to highlight business opportunities for converting landscape and community trees felled by disease, storm damage or other causes into high-value lumber and wood products. This free session especially will be of interest to custom woodworkers, industry suppliers and other entrepreneurs interested in learning how to participate in the exciting source local/buy local urban wood movement.
