

Wisconsin Urban Wood's Urban Forest Fest 2018 Vendor Invitation

Wisconsin Urban Wood, in partnership with the USDA Forest Service and the Lynden Sculpture Garden, is presenting the 2018 Urban Forest Fest on **Saturday, September 15, 2018**. WUW members are invited to participate and exhibit on the beautiful grounds of Lynden located at 2145 W. Brown Deer Road in Milwaukee, Wisconsin.

Urban Forest Fest is an event to connect the public to the urban forest and its products. Many people forget that wood comes from trees; Urban Forest Fest will make the connection between neighborhood trees and the wood products people use on a daily basis by telling the tree-to-table story. Planned exhibitors include the Wisconsin Arborist Association Kids' Climb, a sawmill demonstration, WUW members' wood products and services, and the USDA Forest Service, along with music and food.

In 2016, nearly 500 people visited the Urban Forest Fest at Lynden and, most importantly, were introduced to Wisconsin Urban Wood and its members. Urban Forest Fest 2018 will provide another opportunity for WUW members to showcase their products and services.

Demonstrations especially connect the public to urban wood processes and products - do you have a special demonstration you'd like to share at the event?

WUW members who would like to exhibit should complete the Vendor Registration Form and return it to WUW at director@wisconsinurbanwood.org. Vendor payments can be by check made payable to Wisconsin Urban Wood and mailed to P.O. Box 3037, Madison, WI 53704 or online via paypal. To pay via paypal, contact WUW to initiate the process. The vendor fee for WUW members is \$75.00. Non-members of WUW are invited to exhibit as well. Non-member vendor fees are \$150.00.

The event will run from 10:00 a.m. – 4:00 p.m. and vendors will need to be set up by 9:00 a.m. Exhibitors will need to bring their own tables and/or tents if desired. There is plenty of space for everyone and space for demonstrations can be arranged.

The 2018 Urban Forest Fest is being sponsored in part by the USDA Forest Service. Additional sponsorships are necessary to make the event successful. Sponsorships are available at the Chip, Log and Table levels - \$250, \$500, and \$1,000 respectively. Sponsors will be recognized by displaying their logos in event promotions and sponsorships will also include the vendor fee. Potential sponsors should contact WUW to discuss sponsor fees, recognition and logo placement details.

We hope that you'll join us at the 2018 Urban Forest Fest! Please don't hesitate to contact us with questions, comments and ideas.
