Chicagoans 'Import' Live Edge Walnut Table from KC

Custom Furniture

KC sourced the walnut for this project from a tree at the University of Kansas. The wood for the bench came from a standing dead farm tree.

How to Get Your Urban Wood Projects Featured

One of the best ways to inspire and further the urban wood movement is to showcase furnishings and other great products crafted from community trees. If this is what you do, then we'd love to feature your project on Illinoisurbanwood.org and the monthly Illinois Urban Wood Update newsletter.
