# ILLINOIS URBAN WOOD

OCT 2019 / No. 52

**HAPPY HALLOWEEN!**

## How Frank Lloyd Wright House Trees Became Fine Furniture

In 2015 while at the FLW house I noticed that an American Elm tree in front of the house had the “white dot of death” on it, meaning it was diseased and about to be removed.

[Read more](#)

## NYC Declares Victory Over Long-Horned Beetle

Forestry officials are celebrating the eradication of the tree-killing longhorned beetle in the urban forests of Brooklyn and Queens, its last bastions in New York City.

## How to Get Your Urban Wood Enterprise Featured

One of the best ways to inspire and further the urban wood movement is to showcase furnishings and other great products crafted from community trees. If this is what you do, then we'd love to feature your project on [Illinoisurbanwood.org](http://Illinoisurbanwood.org) and the monthly Illinois Urban Wood Update newsletter.
